10 books  
in this set!

The Mi'kmaq were hunters and gatherers as well as skilled fishermen. Fishing provided most of the food for the Mi'kmaq. They would use fishing lines, traps and spears.

Weirs were also an effective method of catching fish. A V shape structure was constructed across a river, forcing the fish to bottleneck at the base, where they were easily caught in nets or speared.

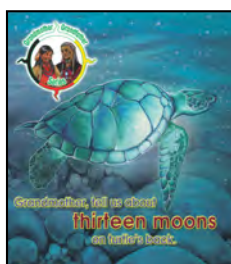

## Grandmother / Grandfather Icon Book Set 3
