Item# TG-I2

Size 8.5" x 11"

The Treaties Guide and Workbook explains certain important aspects of the numbered treaties between the government of Canada and the Indigenous people. Our workbook is an easy to understand guide for teaching children 10+ about the history of the treaties. This workbook touches briefly on some of the issues leading up to each treaty. It explains what was given from each party, where and when each treaty was signed and who it involved. Questions on each treaty are given to help reinforce the information learned.

Medicine Wheel Resource Book

\$39.95 Each

Written by: Sandra Samatte

Item# TG-I3

Size 8.5" x 11"

For centuries Indigenous people have used the four directions on the Medicine Wheel as a tool for learning and teaching. The Medicine Wheel teaches us to respect our relationship with all that is upon Mother Earth. This resource book is designed to explain the many teachings the Medicine Wheel holds. This Medicine Wheel Resource Book has been created for Grades 4 to 8. It contains blackline masters with multiple activities and quizzes to help students retain and comprehend the Medicine Wheel teachings. A great resource for implementing Indigenous teachings into the classroom!
