## French Glass Tube Beads \$29.95 Per Pack

Our French glass tube beads have been tremendously popular for use as old style glass wampum beads, but the supply and color range has been limited. Therefore, we have developed a completely new and more authentic line that will be available in good supply as well as the three most authentic colors. Glass wampum was a very popular trade item and ours is as close to the original as possible, measuring 3.5mm x 10mm, or approximately 1/8" diameter x 3/8" long. Great for necklaces, chokers, belts, bracelets, earrings, and more. **Approximately 2100 beads per half kilo.**

## Crepe Rubber Sheet

**\$54.95 Each**

Cut your own soles for shoes or moccasins. Crepe is a textured lace rubber that has been used for years for shoe soles. Crepe is very popular due to being so lightweight and comfortable. It possesses excellent flexibility and a bounce that comes naturally to it, which when combined with suede leather brings a soft, loose comfort to your feet while maintaining good durability. The creping process also gives footwear a natural grip that holds well to most surfaces.

**Item# CKS-78**

Size 2" x 18" x 3 mm
